POLICY STATEMENT:
The Conway Medical Center’s mission is to improve the overall health of our communities. This reflects Conway Medical Center’s not-for-profit heritage and social accountability to the communities in which we are located. Conway Medical Center and affiliates will provide charity care (free care) for qualified low-income patients. This service, along with other community benefit services, is essential to Conway Medical Center’s mission fulfillment.

The purpose of this policy is to establish the criteria and conditions for providing charity care to patients whose financial status makes it impractical or impossible to pay for emergency or medically necessary services. This policy does not cover elective services. Individuals who meet the eligibility criteria established in this policy qualify to receive free care for emergency or medically necessary services. Confidentiality of information and individual dignity will be maintained for all who seek assistance under this Policy.

The Conway Medical Center’s Executive Leadership and/or the Conway Medical Center Board of Directors must approve any modification of this policy.

POLICY REQUIREMENTS:
I) Eligibility for Charity Care
A) Service Area
1) Hospital patients: residents within the Conway Medical Center service area are eligible to apply for Charity Care, as defined in this Policy.
2) Hospital-Owned Physician Practices patients: patients must live in the Conway Medical Center service area.

Covered Services do not include cosmetic, elective, non-urgent tests, services or procedures, fertility services or experimental treatments. In the case of Conway Medical Center Physician-Owned practices, prescription medication.

D) Other Health Coverage: Patients, who are known to have chosen not to participate in employer sponsored health plans and / or not eligible for government sponsored health coverage due to non-compliance with program requirements, are not eligible for Financial Assistance under this Policy.

E) Special Circumstances. Deceased patients without an estate or third party coverage may be considered for Financial Assistance eligibility. Patients who are in bankruptcy may also be eligible for Financial Assistance.

II) Application: An application (see attached application) providing all supporting data required to verify Financial Assistance eligibility will be completed by the patient and returned to a financial counselor at the hospital. Patients without an income source should supply a letter of support stating their need for Financial Assistance consideration based on their current financial situation. Letters should at a minimum state that the patient has no supporting financial documentation to supply. (See Section VI below.) Applications will be maintained in the hospital and provided to individuals requesting Financial Assistance or identified as potential candidates for Financial Assistance. Applications are available in English and Spanish. Assistance may be provided in completing the application by contacting a financial counselor at one of the following phone numbers: 843-347-8072 or 843-234-6726.

III) Determination Based Upon Application: Once complete documents are received and an eligibility determination has been made, a notification letter will be sent to each applicant advising them of the hospital’s decision. If the patient meets eligibility requirements, they will be designated as eligible to receive Financial Assistance. Patients who submit incomplete applications and/or do not provide supporting documentation will be contacted via phone or mail.

IV) Providers Delivering Emergency and Medically Necessary Care: Conway Medical Center maintains a list of providers that deliver emergency or other medically necessary care in the facility, which identifies which providers are covered under this Policy (“List of Providers”). This list may be updated on a regular basis without approval by the facility governing board. A List of Providers may be obtained through Conway Medical Center’s website http://www.conwaymedicalcenter.com or by contacting a financial counselor at one of the following phone numbers: 843-347-8072 or 843-234-6726.

V) Eligibility Period: The Financial Assistance application and documentation must be updated every six months, or at any time during that six month period the patient’s family income or insurance status changes to such an extent that the patient becomes ineligible.
